Re: US Patent Number 6,999,957

Dear Sirs,

CPI paid the 4th-year maintenance fee for the above-mentioned patent on August 14, 2009 at the small entity rate. The USPTO records indicate this case is now a large entity, and we are now requesting that the 4th-year maintenance fee be changed to large.

Please deduct the difference in fees from our Deposit Account No. 03-2641 to ensure payment of the 4th-year fee at the large entity rate. Also, please update the Patent Office website to reflect that the 4th-year fee was paid at the large entity rate.

Thank you for your assistance in this matter.

Best Regards,

Andy Breeden
